## THIS IS K-STATE

It's a **great time** to be a **K-Stater!**

One of the nation's elite universities, **Kansas State** provides its **23,000** students with a **world-class education**.

The nation's **No. 1 public school** in **Rhodes, Marshall, Truman, Goldwater**, and **Udall scholars** in the last 20 years, the university offers more than **250 majors** in nine colleges.

In 2009, K-State welcomed a new president and a new athletic director, who will build on the successes of the past and create a bright new future. **Kirk Schulz** accepted the K-State presidency because he is impressed with all of the outstanding programs and successes of our faculty, staff and students and with the passion K-Staters have for their university. K-Staters connect with our new president via his blog; Twitter and Facebook. Check out his Web site at [www.K-State.edu/president](http://www.K-State.edu/president).

### HISTORY AND LOCATION

Founded on Feb. 16, 1863, Kansas State University is the oldest public institution of higher education in Kansas and one of the first land-grant universities. It was located on the grounds of the old Bluemont Central College, which was chartered in 1858. The university moved to its present site in 1875.

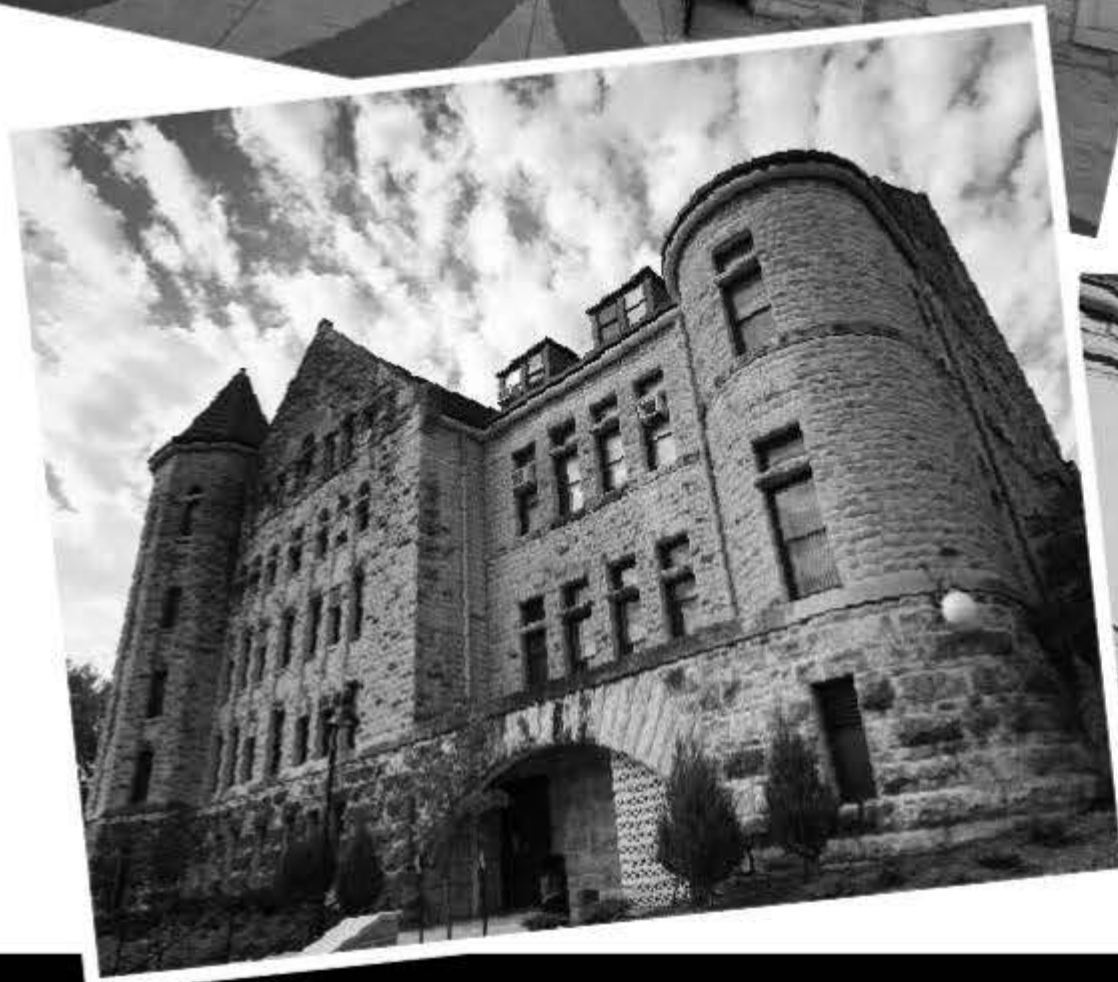

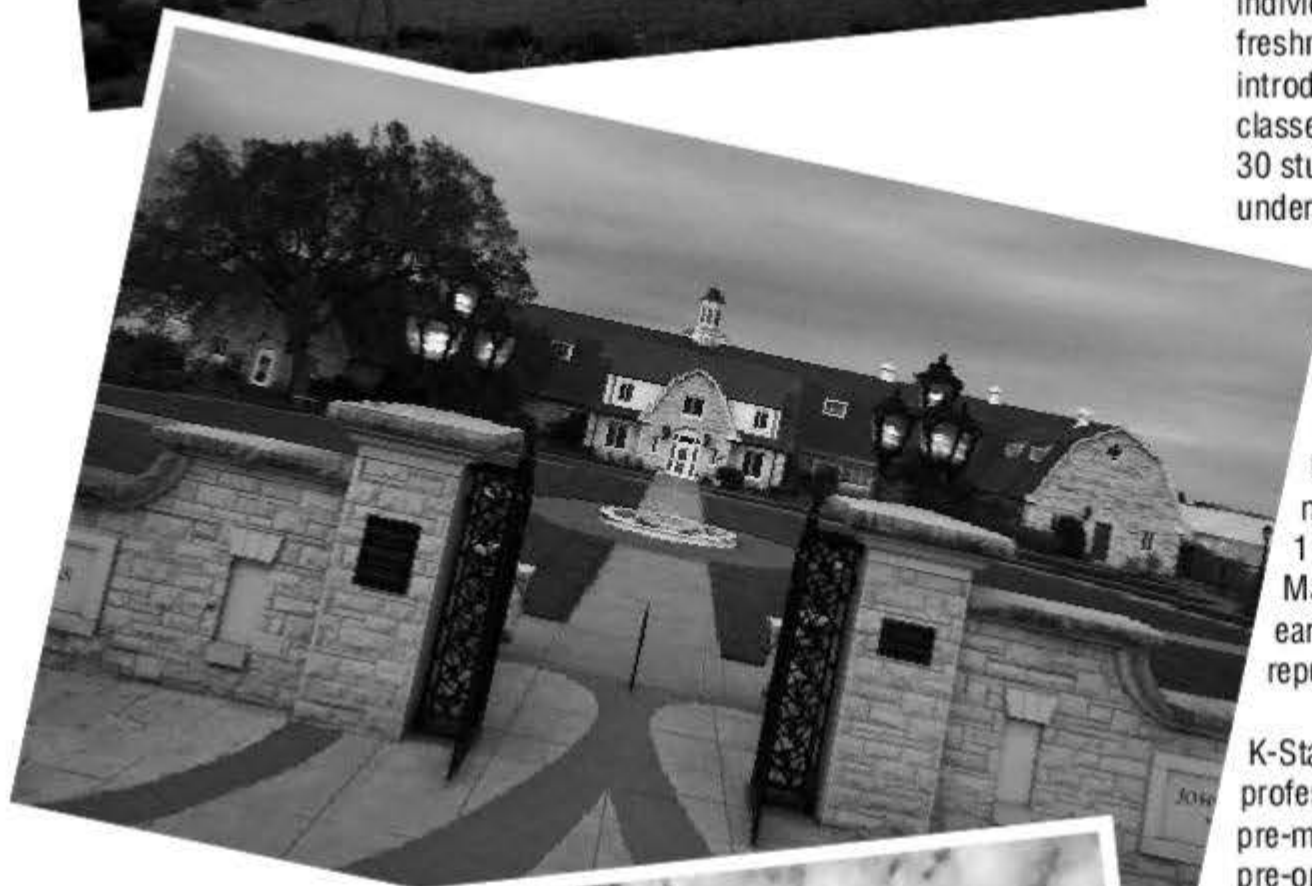

Throughout its history, K-State's mission has been rooted in the principles set forth in the Morrill Act -- to provide teaching, research and service to the citizens of Kansas and beyond.

The 644-acre wooded main campus with historic limestone buildings is located in northern Manhattan (population of 50,000) and is convenient to both business and residential districts. It is located 125 miles west of Kansas City in the rolling Flint Hill of northeast Kansas. The university also has a campus in Salina, Kan., and another coming soon in Olathe, Kan., along with numerous extension fields, offices and other facilities in Kansas and Nebraska. The K-State Salina campus offers bachelor's and associate degrees in aviation and engineering technologies.

The university hosts the prestigious Landon Lectures on Public Issues, honoring the late Kansas statesman **Alfred M. Landon**. Since 1966 the series has featured more than 120 nationally prominent speakers. Past speakers including **Martin Luther King, Jr.**, Presidents **Richard Nixon, Jimmy Carter, Gerald Ford, Richard Nixon, Ronald Reagan, George H. W. Bush, George W. Bush**, and most recently **Bill Clinton**.

One of the six universities governed by the Kansas Board of Regents, Kansas State University continues to fulfill its historical educational mission in teaching, research and public service.

### ACADEMIC EXCELLENCE

K-State is the only research university in the United States to have three national CASE/Carnegie professors of the year. All three are active teachers: **Michael Wesch**, 2008 national winner; **Chris Sorensen**, 2007 national winner; and **Dean Zollman**, 1996 national winner.

More than 250 majors and programs are offered in nine colleges. The Graduate School offers 67 master's degrees, 39 doctoral degrees, five educational doctorate programs and 33 graduate certificates in multiple disciplines across campus. More than \$185 million is available in financial assistance, including \$11 million in scholarships. Seven out of 10 K-State students receive financial assistance.

Even with 23,000 students, the university is committed to individualized education whenever possible. For example, freshman English classes have no more than 22 students, introductory chemistry labs average 15 students, and speech classes are limited to 23 students. Seventy percent of classes have 30 students or less and the average class size for all undergraduate classes is 23 students. Ninety percent of classes have less than 49 students.

### STUDENT ACHIEVEMENT

Academic achievement of the institution is drawing national acclaim as well. K-State students have won more Truman scholarships, more Goldwater scholarships and more Phi Kappa Phi Fellowships than any other public university in the nation. Over the past twenty-five years, K-State has ranked No. 1 in the nation among public universities in Rhodes, Truman, Marshall, Goldwater and Udall Scholars. The university has earned its reputation as the "Student Scholar Capital of America."

K-State students have an outstanding record of acceptance into professional schools. Over the past four years, 70% of qualified pre-med applicants were accepted into medical schools; 100% of pre-optometry and 82% of pre-dentistry students were accepted into respective professional schools. Over the past five years, 98% of students who participated in our pre-law program were accepted into law schools.

## THIS IS K-STATE VOLLEYBALL

Kansas State Volleyball has been one of the most successful programs in the Big 12 Conference and the nation under the direction of Coach Suzie Fritz since becoming the head coach in 2001. The Wildcats have reached the NCAA Tournament each year but two with Fritz at the helm.

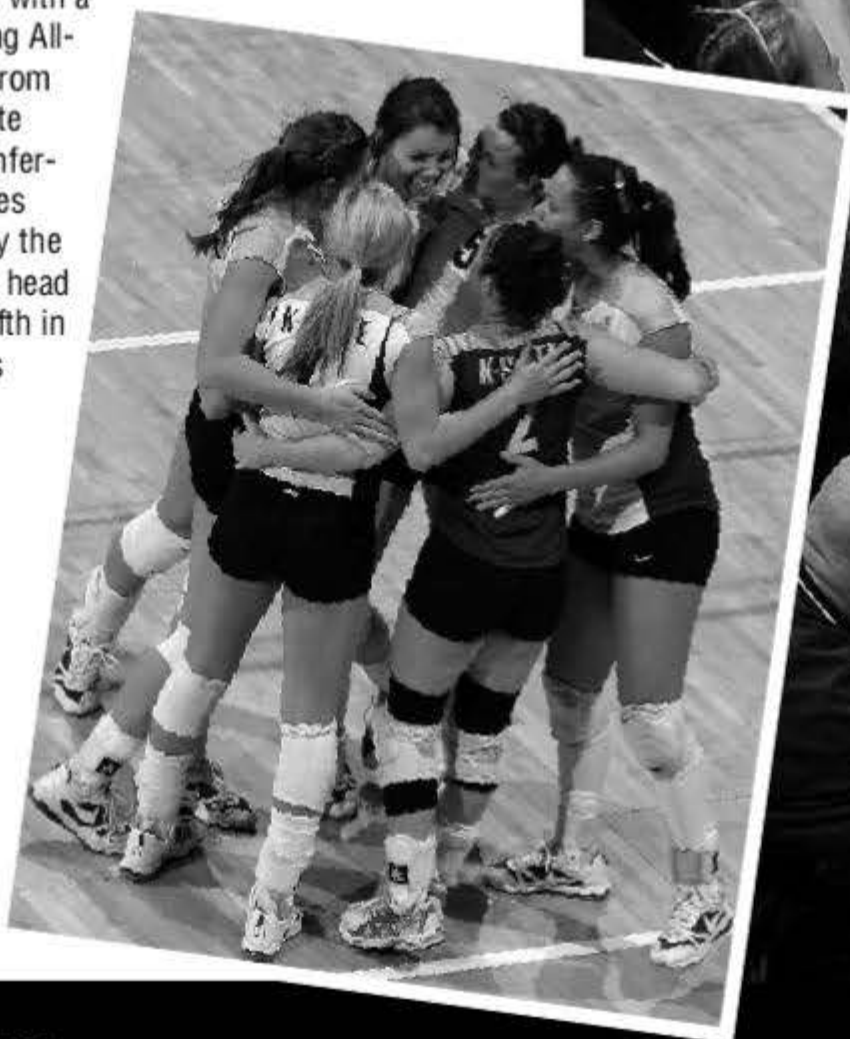

The Wildcats have the third highest winning percentage in the Big 12 overall and in conference play. K-State has also made its impact on the national scene finishing in the AVCA Top 25 Coaches Poll every year but two with an average final ranking of 19. Only one other Big 12 team has been ranked in the final coaches poll more than K-State in the Fritz era.

Ahearn Field House has also become one of the best places to watch volleyball in the Big 12. Fans pack Ahearn every match to cheer on their Wildcats to a home winning percentage of .735 over the last nine seasons. K-State regularly ranks among the national leaders in attendance each year finishing 2009 ranked 21st with an average attendance of 1,802.

K-State has made its impact on the court as well with 13 All-Big 12 First Team selections since 2001.

The Wildcat volleyball team has been more successful in the classroom than any other program in the Big 12 since Fritz took over at K-State. No other Big 12 team has had more Academic All-Big 12 First Team selections than the Wildcats. The success of the Wildcats in the classroom comes from every player as K-State has been awarded the AVCA Team Academic Award seven times since Fritz has been head coach and eight total since the inception of the award for the 1992-93 academic year. To receive the award a team must have a cumulative team GPA of 3.30 or higher on a 4.0 scale.

The success of the program has been recognized by the Big 12 Conference coaches as well with a total of 67 Wildcats receiving All-Big 12 Conference honors from the league's coaches. K-State ranks third in the power conference in most student-athletes earning first team honors by the conference with Fritz as the head coach. K-State also ranks fifth in most All-America selections during the Fritz era with

Specialty awards are another honor the Wildcats bring home to Ahearn Field House regularly. K-State has earned one Big 12 Player of the Year with Lauren Goehring taking the award in 2003 helping lead the Wildcats to their first Big 12 Conference championship.

Also in 2003, Fritz received her second Big 12 Coach of the Year award winning the honor from her peers two straight years.

With the advent of the libero position in collegiate volleyball, the Wildcats have consistently had solid play from the position and been recognized for it more than any other team in the Big 12. K-State claimed the first three such awards from 2002-04.

K-State boasts four Big 12 Libero of the Year awards with Laura Downey-Wallace and Angie Lastra each winning two. Iowa State is the only other Big 12 school to receive the Libero of the Year twice.

Kansas State earned its eighth consecutive final ranking in the American Volleyball Coaches Association (AVCA)/CSTV Top 25, in 2005, as the Wildcats earned a No. 24 ranking. K-State is one of only 12 programs nationally and one of only two in the Big 12 Conference that can claim this distinction, joining traditional powers Arizona, Florida, Hawaii, Long Beach State, Nebraska, Penn State, Pepperdine, Stanford, UCLA, USC and Wisconsin. In 2007, K-State returned to the poll finishing at No. 16 after a one-year hiatus. Again in 2008 the Wildcats finished No. 20, marking the 11th time 13 seasons that the Wildcats ended the year ranked in the organization's Top 25. K-State garnered the program's highest-ever ranking when it was ranked fifth in 2003 during a 12-match winning streak in September.

Kansas State annually plays one of the nation's toughest nonconference schedules before embarking on play in the rugged Big 12 Conference. In the last seven years, the Wildcats have battled the likes of BYU, Duke, Florida, Hawai'i, Kentucky, Long Beach State, Purdue, Michigan, Minnesota, Penn State, Florida State and UCLA in non-league action.

In 2010, the Wildcats open the season with another impressive list of opponents playing in the Hawaii Chevron Classic again facing Hawaii and UCLA. In addition to playing those two teams, K-State will play NCAA Tournament teams Kentucky and Florida State in nonconference action at the Kentucky Invitational. K-State will host the Varney's Kansas State Invitational again in 2009 with Georgia Tech traveling to Manhattan as another NCAA Tournament team on the schedule for the Wildcats. In total, K-State will face 11 teams from the 2009 NCAA Tournament this year that combined to go 24-11 in the postseason including eight of the Regional Semifinalists.

## ACADEMIC ACHIEVEMENTS

Kansas State Volleyball has been one of the most successful programs in the Big 12 Conference and the nation under the direction of Coach Suzie Fritz since becoming the head coach in 2001. Her Wildcats have also been among the best students in the conference as well.

The Wildcat volleyball team has been more successful in the classroom than any other program in the Big 12 since Fritz took over at K-State. No other Big 12 team has had more Academic All-Big 12 First Team selections than the Wildcats. The success of the Wildcats in the classroom comes from every player as K-State has been awarded the AVCA Team Academic Award seven times since Fritz has been head coach and eight total since the inception of the award for the 1992-93 academic year. To receive the award a team must have a cumulative team GPA of 3.30 or higher on a 4.0 scale.

The academic success saw another milestone in the 2009-10 academic year with JuliAnne Chisholm earning ESPN the Magazine/CoSIDA Academic All-America Third Team honors. Chisholm is the program's third Academic All-American with Cari Jensen receiving the award in 2002 and 2003. Jennifer Koehn also made the grade in 1982.

To be eligible for Academic All-America, a student-athlete must first receive Academic All-District First Team honors. Four Wildcats have received that honor in the Fritz Era, and a total of 14 have made Academic All-District.

K-State's student-athletes have access to tutors, computer labs, study rooms and more academic services at the Vanier Academic Learning Center. A staff of specialists are also available to ensure student-athletes receive the proper attention they need to make the most of their academic careers and make progress toward earning a degree.

# ATHLETIC ACHIEVEMENTS

Under Suzie Fritz's leadership, the Kansas State Wildcats have continued to be one of the top programs in the highly competitive Big 12 Conference. The Wildcats have reached the NCAA Tournament each year but two with Fritz at the helm.

The Wildcats have the third highest winning percentage in the Big 12 overall and in conference play in that time. K-State has also made its impact on the national scene finishing in the AVCA Top 25 Coaches Poll every year but two with an average final ranking of 19. Only one other Big 12 team has been ranked in the final coaches poll more than K-State in the Fritz era.

Ahearn Field House has also become one of the best places to watch volleyball in the Big 12. Fans pack Ahearn every match to cheer on their Wildcats to a home winning percentage of .772 over the last eight seasons. K-State regularly

ranks among the national leaders in attendance each year finishing 2009 ranked 21st with an average attendance of 1,802. This year Ahearn Field House will provide an even better fan experience with chairback seats installed behind the benches for season ticket holders.

K-State has made its impact on the court as well with 13 All-Big 12 First Team selections since 2001. Only two other programs in the conference have had more first team selections. During that time span, the Wildcats also have had nine student-athletes earn All-Big 12 Honorable Mention.

On the national scene, K-State has also made an impact with 11 Wildcats selected to AVCA All-District teams during Fritz's tenure as head coach. Five of those players went on to earn AVCA All-America, including Lauren Goehring being named to the first team in 2003 after leading K-State to its first Big 12 Conference title. Most recently Nataly Korobkova earned AVCA All-America Third Team honors in back-to-back seasons after helping lead K-State to the NCAA Tournament in 2007 and 2008.

Gabby Guerre received honorable mention in 2003 directing K-State's offense as the setter during the Big 12 championship run, and in 2004 Vali Hejjas received honorable mention as well.

K-State has also won a number of individual awards from the Big 12 Conference since 2001, most notably the Libero of the Year Award. Two Wildcats have combined to claim four Libero of the Year Awards for K-State while Iowa State is the only other Big 12 school to receive the award multiple times since the award was created in 2002. K-State also is one of only four schools to have multiple Big 12 Newcomer of the Year Awards since 1996 claiming it in 2003 and 2007. K-State also took Big 12 Player of the Year in 2003. Only three schools have claimed Player of the Year honors since the inception of the Big 12 Conference.

Weekly honors have come K-State's way on a regular basis as well under Fritz. K-State has had a total of 20 Big 12 Players of the Week since 2001. In 2008, the Wildcats saw a high of five awards.

## HOMEGROWN TALENT

This season Kansas State has a heavy dose of local talent on the roster. Of the 16 Wildcats on the team this year, 11 are from the state of Kansas. The other four student-athletes from the United States are not from far away, either, coming from neighboring states Colorado, Missouri and Nebraska.

K-State Volleyball has a strong tradition of keeping in-state talent in the Sunflower State and turning those players into great Wildcats. This year's recruiting class was ranked among the Top 30 in the nation by PrepVolleyball.com thanks to the strong local talent coming to Manhattan.

Since Suzie Fritz took over the program in 2001, a total of four Wildcats from Kansas have combined for six All-Big 12 Honorable Mention awards. Two Wildcats from Nebraska tallied All-Big 12 First Team honors, and one from Colorado also has garnered First Team status.

# INTERNATIONAL IMPACT

Kansas State has seen a number of international players come to Manhattan and make a big impact on the program. Two of K-State's All-Americans were international players.

Vali Hejjas was the first international player in nearly 10 years to come to K-State in 2003 hailing from Hungary. Hejjas went on to earn AVCA All-America Honorable Mention as she helped guide the Wildcats to their first Big 12 Conference title. After the success of Hejjas, K-State began more international recruiting seeing players from Brazil, Latvia, Puerto Rico and Russia coming to wear Purple.

Another Hungarian followed closely behind Hejjas with Rita Liliom joining the team the following season. This year Lilla Porubek comes to Manhattan from Hungary as well.

Nataly Korobkova was K-State's other international player to make an All-American impact earning Third Team honors from the AVCA in both 2007 and 2008. Both Korobkova and Hejjas also received Big 12 Newcomer of the Year in the first seasons as Wildcats.

The success of international players has not been limited to Hejjas and Korobkova receiving All-America honors.

Liliom posted double-digit kills in all but one match in 2008 to close her career as a member of the 1,000 Kills Club and ranks eighth in school history. She received All-Big 12 distinction for her senior season and was awarded Big 12 Player of the Week once.

Angie Lastra also joined the team in 2004 with Liliom making Lastra the first Puerto Rican to play for K-State. Lastra went on to become the best defensive specialist in school history winning Big 12 Libero of the Year twice. She closed her career with 2,032 digs to top the list and was named AVCA All-District in addition to All-Big 12 Honorable Mention.

A trio of international players came to K-State in 2004, with Agata Rezende joining Lastra and Liliom in the incoming class or recruits. Rezende also was the first Wildcat from Brazil. As a senior in 2005, she led the Wildcats in kills with 440.

The success of K-State's recruitment of international players has proven Wildcats can come from across the globe and make an immediate and strong impact on the court.

## EUROPEAN TOUR 2010

This May the Kansas State volleyball team had the exciting opportunity to play in Europe on a foreign tour thanks to the generosity of USA Athletes International. The Wildcats traveled to Budapest, Hungary; Ljubljana, Slovenia and Venice, Italy, and competed in five matches over the week.

The trip to Europe provided the Wildcats with the chance to play a different style than the American game and grow both on the court and off it as teammates. Some highlights from the trip included a guided tour of Budapest as the players learned about the rich history and political changes of the city and Hungary since its founding in 958 A.D. The sights included, Hungarian Parliament, Fisherman's Bastion and Mathias Church, Chain Bridge and Heroes' Square.

While in Hungary, the Wildcats took on the Hungarian National Team and saw a familiar face on the other side of the net. Prior to the match, former Wildcat, Rita Liliom went through her team initiation as she wore her National Team uniform for the first time against her former team after recently being added to the Hungarian National Team. The Wildcats also saw Vali Hejjas while in Budapest. Hejjas was K-State's first Hungarian player and earned All-America status in 2004 and helped K-State to the Big 12 title in 2003.

In Slovenia, the Wildcats toured the largest cave in Europe and visited the capital city of Ljubljana - The Dragon City. In Ljubljana, the Wildcats saw St. Peter's Church where the Pope visited in the 1990's. The church is estimated to be more than 1,000 years old as it was built during the Middle Ages. As a true testament to how small the world can be, the Wildcats ran into a K-State alumnus on the streets of Ljubljana. The Dragon City was full of fun facts as well where the mayor accepts his monthly salary based on his approval rating.

While in Italy, the players experienced real Italian cuisine, learned of the long tradition of glass factories and absorbed the rich history of another amazing city on their tour. The Wildcats toured one of the glass factories on the island of Murano, went on a traditional gondola ride through the Grand Canal and saw the amazing Piazza San Marco.

The trip was made possible by USA Athletes International. The group is a non-profit organization that takes student-athletes from across the nation to create teams for international play in a number of different sports. USA Athletes International donated the trip to Kansas State Volleyball after seeing the team featured on *ESPN Outside the Lines* for a story about a cancelled trip to China in 2008. That trip was cancelled just days prior to departure after the trip organizer filed bankruptcy.

K-State Volleyball would again like to thank Darrell Phipps and William Edington from USA Athletes International for making the trip possible. A special thanks also goes out to trip director Petra Lehrner and bus driver Sorin. The Wildcats also wish to say thank you and good luck to their new friends with the Hungarian National Team, Vasas Sport Club, OK Vital and Cus Venezia.

Thank you!  
Köszönöm szépen!  
Hvala lepa!  
Grazie!

## LEGENDARY AHEARN FIELD HOUSE

### TRUE HOME-COURT ADVANTAGE

Storied Ahearn Field House, situated on the Kansas State campus, shook for 39 years with the roar of 14,000 Wildcat fans as the legendary home of K-State basketball. Large, boisterous crowds, memorable K-State victories, and the ghosts of Wildcats past are enamored in the history of the Field House.

Now, as the home of Kansas State volleyball, the roar of the crowd is heard again. In Ahearn Field House, Wildcat volleyball fans are treated to one of the most attractive volleyball facilities in the Midwest. Terina Irsik Memorial Court, named for a long-time KSU fan, sits in the south end of the field house with balcony seating on three sides and was installed prior to the 2004 season. The Field House can comfortably seat as many as 5,000 rabid Wildcat fans for volleyball, with 1,500 court-side bleacher seats that provide an intimate view of the action.

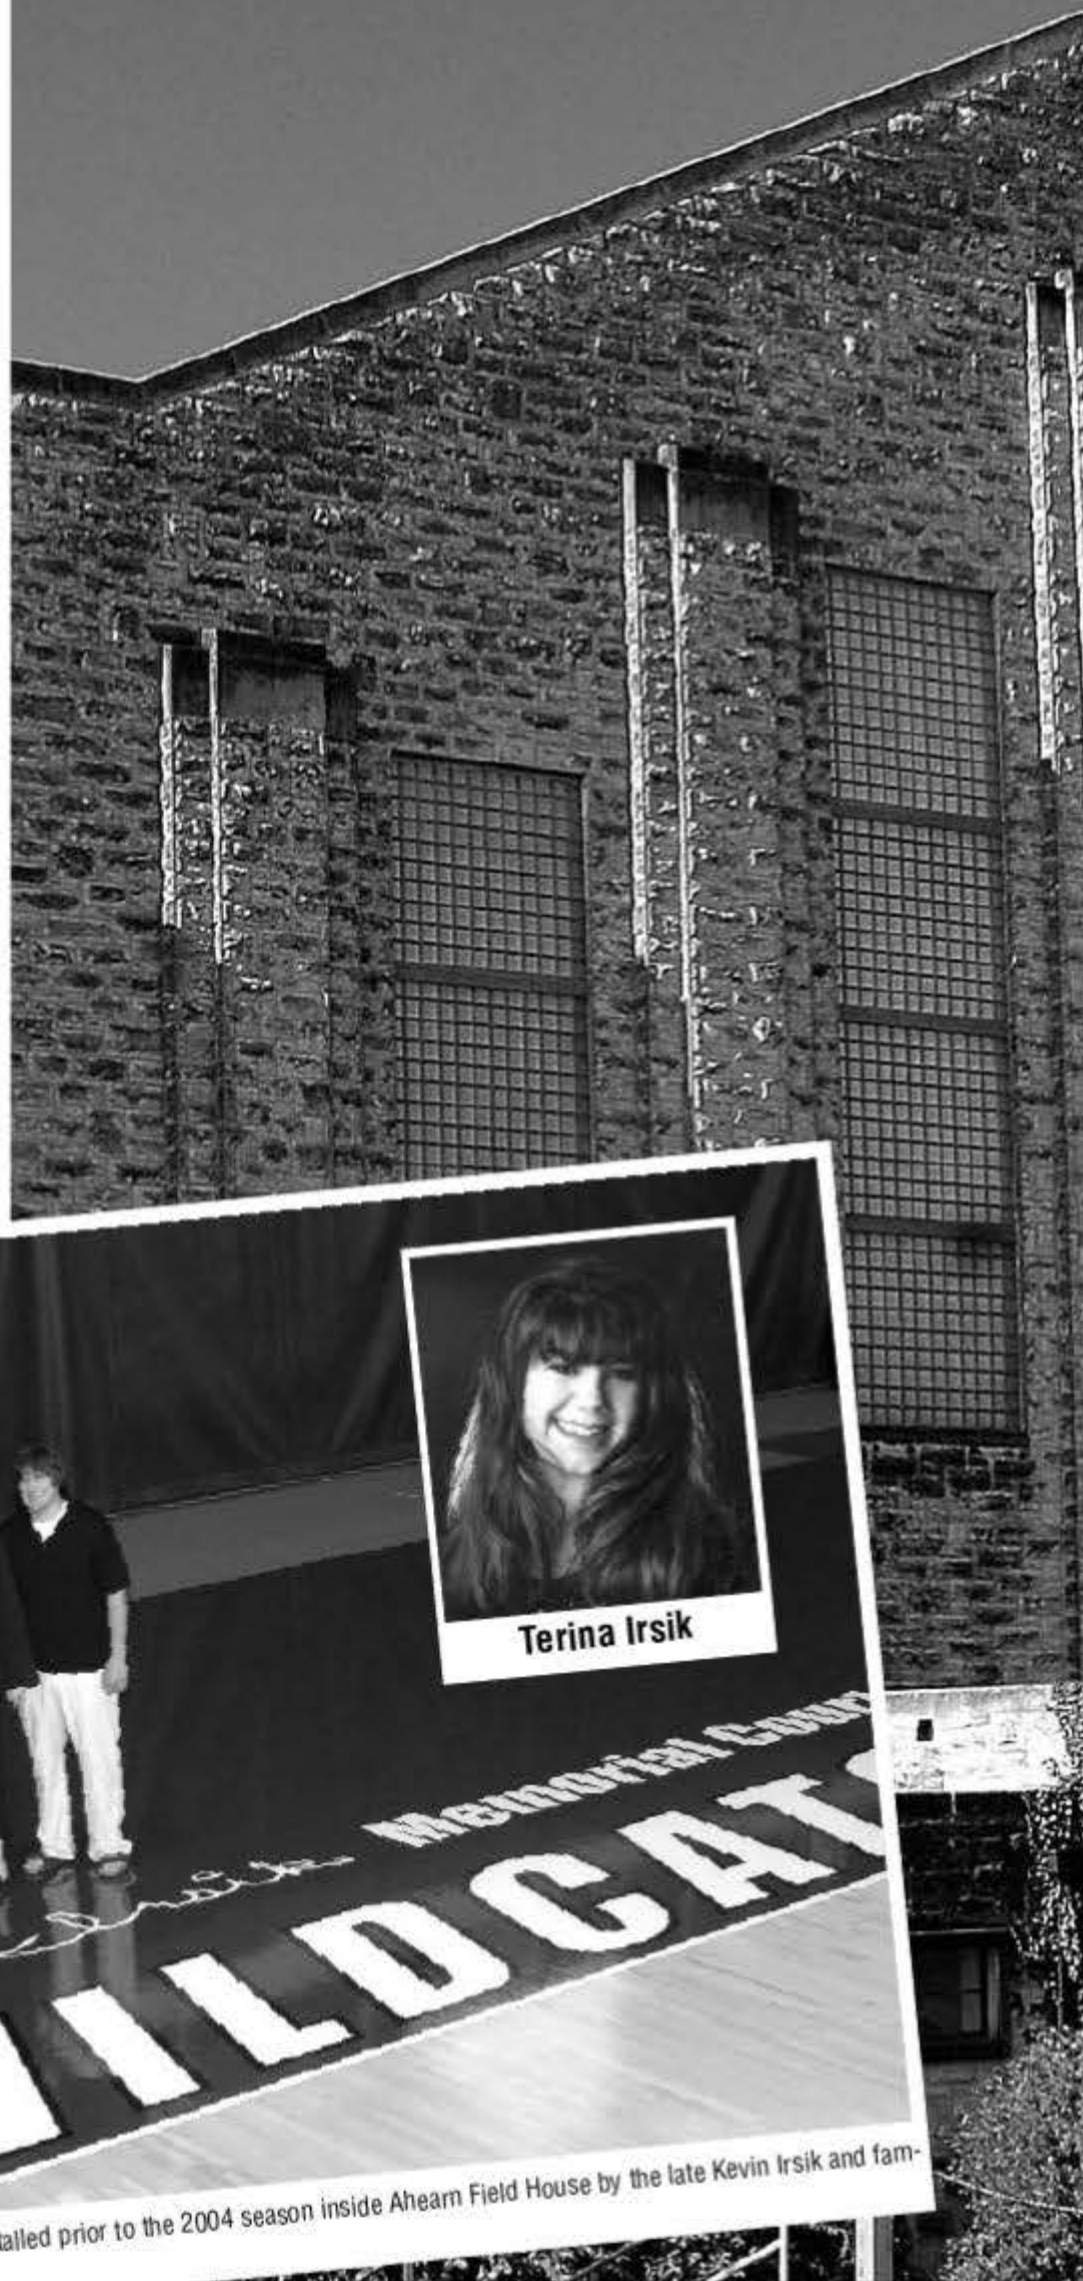

Kansas State has averaged nearly 11 wins a season at home over the last nine years under Coach Suzie Fritz. During that time the Wildcats have lost three or fewer matches at home five times including an undefeated 16-0 record at Ahearn Field House during the Wildcats' 2003 Big 12 Championship run. During those nine seasons, K-State is 97-35 (.735) at home.

With the 3-1 win over Colorado on October 12, 2002, Kansas State earned its 200th win at Ahearn Field House since the building became the home to Wildcat volleyball in its inaugural season in 1974. The program has compiled an impressive 250-135-5 (.641) since that season, including a 109-36 (.752) mark over the last 10 years. In all, the Wildcats have upset 15 ranked teams in Ahearn since 1997 and have a 51-4 record against non-conference foes since 1994.

### THE BEST FANS IN COLLEGE VOLLEYBALL

Not only do the Wildcats play in one of the most venerable arenas in all of college volleyball - Ahearn Field House - but they enjoy some of the best fan support of any program in the nation. During the Size Fritz era over the last nine years, Kansas State has ranked among the top 30 programs in the nation for home attendance in six of those seasons. Over 150,000 fans have visited the "Old Barn" since 1997, an average of nearly 1,700 fans per home match. The team has drawn over 4,000 fans for 11 matches in that time span, including a school-record 5,287 fans for the team's triumph over Nebraska on November 15, 2003. Kansas State totalled a school-record 31,223 fans in 2003 for an average of 1,951 per match. In 2009, fans packed Ahearn for an average of 1,802 attendance to rank No. 21 in the nation and fifth among Big 12 schools.

Ahearn will only get better for the fans as the Wildcats continue to boast a strong nonconference schedule to prepare for the intense Big 12 Conference action later in the season. This season new chairback seats have been installed behind the bench areas courtside. The new seats add to the fan experience at K-State and help bring Ahearn more modern amenities while maintaining its historic charm.

Terina Irsik

The Terina Irsik Memorial Court was installed prior to the 2004 season inside Ahearn Field House by the late Kevin Irsik and family in honor of their daughter, Terina.

## K-STATE FACILITIES

K-State volleyball is one of the most successful teams in the Big 12 Conference in the classroom and it is much to the efforts and services the student-athletes receive at the Vanier Academic Learning Center

At the center student-athletes receive assistance and direction toward academic achievement, academic athletic eligibility and progress toward graduation. The ALC unit is nationally recognized and dedicated to assisting students achieve these goals through services and programs designed to facilitate the student-athlete's academic commitment, performance and responsibility.

The Vanier ALC has 50+ tutors to provide various levels of support and a computer lab with 24 computers along with a staff of specialists.

The coaching staff is provided with regular reports on the academic progress of the student-athletes to ensure the Wildcat program continues to hold its place among one of the top academic teams in the nation and receive the students with the high quality education K-State provides.

The Bud and Marti Newell Strength and Conditioning Complex is a recently renovated 13,000 square foot weight facility that includes more than \$100,000 worth of essential weight training equipment. Under the guidance and supervision of strength coach Dan Cavendar each and every player is helped to reach peak physical performance. The state-of-the-art training facility is an integral part of Kansas State Volleyball's success.

Renovations to the Kansas State volleyball team room and locker room were completed in 2005 to expand both areas inside Ahearn Field House to give the program top-notch facilities. Renovations to the program's training room were also completed in the spring of 2004 to give the Wildcats a larger and more comprehensive training area.

# K-STATE TRADITIONS

## NICKNAME

Through its first 19 seasons of athletic competition, Kansas State had used "Aggies" as its nickname. But prior to the 1915 season, new football coach John "Chief" Bender gave his squad the nickname "Wildcats." The moniker lasted the one season Bender coached at K-State. Under football coach Z.G. Clevenger in 1917, the school team became known as the "Farmers." In 1920 another new football coach, Charles Bachman, took over the program, renaming the team "Wildcats." This time, the nickname stuck.

## WILLIE WILDCAT

Willie, a student bedecked in an oversized Wildcat head, is Kansas State's No. 1 fan. Willie Wildcats are selected yearly by a panel appointed by the cheerleading coach. The mascot is a central part of athletic contests, but also attends functions around the state as an ambassador. Traditionally, the identity of the student portraying Willie is kept secret.

## SCHOOL SONGS

The Alma Mater was selected as a result of an 1888 campus contest. H.W. Jones ('88) was responsible for K-State's prized result. Jones' original work was four stanzas including the chorus. His version has been slightly altered over the years to include just two stanzas and the changing of the words from KSAC to KSU. The school's fight song is entitled "Wildcat Victory."

### Wildcat Victory

"Fight you K-State Wildcats.  
For Alma Mater fight-fight-fight.  
"Glory in the combat for the purple and white.  
Faithful to our colors, we shall ever be, fighting ever fighting for a  
Wildcat Victory!"

### Alma Mater

"I know a spot that I love full well,  
'Tis not in forest nor yet in dell, ever it holds me with magic spell,  
I think of thee  
Alma Mater.  
"K-S-U, we'll carry the banner high,  
K-S-U long, long may thy colors fly.  
Loyal to thee, thy children shall swell the cry.  
"Hail, Hail, Hail Alma Mater."

## WABASH CANNONBALL

Everyone knows that familiar tune Wabash Cannonball. In fact, Wabash and K-State are almost synonymous. What many people do not know is how the song became an integral part of Wildcat athletics. In the fall of 1969, the department of music burnt down. Every piece of music in the building was destroyed. The only thing that was salvaged was what was in the band director's brief case.

That included a piece of music titled the Wabash Cannonball. With an upcoming football game and no music, that left only one thing to do. The band members played the song loud and often. A song that originally had no connection became a second fight song.

## POWERCAT LOGO

One of the most recognizable athletic logos in the nation is the K-State Powercat. The logo was introduced by Bill Snyder shortly after his arrival in Manhattan as the attitude of the entire athletics department and university was changing.

Manhattan native Tom Bookwalter, in cooperation with head coach Bill Snyder, created the powerful logo that is a prominent feature on the K-State football helmet, at Wagner Field, on the back of the Dev Nelson Pressbox, clothing, flags, bottled water, vanity plates for cars and just about anywhere there can be one.

It is a modern, progressive city that is home to Kansas State University, the Fort Riley Military Reservation and several successful corporate citizens. It is located in north central Kansas, on Interstate 70, one hundred miles west of Kansas City, and 50 miles west of the state capitol in Topeka.

It was on Valentine's Day in 1857 that Manhattan officially became a city in the Midwest. And it was only because the Kansas River had been low two years earlier that the city was located where it is now.

It all began in the spring of 1855 when the Cincinnati Company left Ohio on the steamboat Hartford. They were headed for central Kansas via the Ohio, Mississippi, Missouri, and Kansas Rivers. Their goal: to settle a town and name it Manhattan, thinking it might become a second Manhattan, New York.

On the way up the Kansas River, three men stopped, went ashore, and hired a wagon. They drove to what is now Junction City, where they intended to start the Manhattan of the Midwest. But the Hartford ran aground in the Kansas River south of the confluence of the Blue and Kansas Rivers. The Cincinnati Company and all of the small groups of settlers already in the area joined forces to form a town, which they agreed to call Manhattan.

The first post office was established in 1856, and the city became incorporated February 14, 1857. Manhattan has grown steadily since then. Although Manhattan, Kansas, may not be another New York City in size, residents of Manhattan of the Midwest think you'll savor the savvy of "The Little Apple."

"The Little Apple" is home to more than 40,000 people today. Manhattan is nestled in among the picturesque Flint Hills, so named for their numerous bands of limestone and flint. These bands of flinty gravel convinced many an early settler that the land was not suitable for cultivation. A few resourceful pioneers, however, chose to stay and build their farmsteads in the sheltered valleys where water was available even in times of drought and where their cattle could graze on the grassy uplands. The Flint Hills region still remains largely untouched by the plow and is the last large preserve of native tallgrass prairie in the U.S.

Today, Manhattan residents take pride in the local history. The community is especially proud of its nickname, "The Little Apple," symbolic of a polished, wholesome Midwestern Manhattan, founded by pioneers who foresaw great things for this part of the U.S.

A student-athlete's life involves more than academics and athletics. Like most college students, student-athletes need to relax and have a good time, and Manhattan is the place to do just that. Manhattan reflects the joys and opportunities of big-city living while retaining a friendly, open atmosphere. Manhattan has many appealing places to shop, eat and socialize. An award-winning shopping mall is located in the heart of the downtown region, and Aggieville – a district of shops and restaurants just beyond the southern border of the campus – continues to be particularly popular with students. There are several beautiful parks and walkways throughout the city, while picturesque Tuttle Creek Reservoir sits just five miles from campus for seasonal swimming, water skiing and boating. Additionally, the 13,500-seat Bramlage Coliseum have become a favorite stop for major concerts throughout the year.

## WILDCATS EYE RETURN TO NCAA TOURNAMENT

**YOUNG K-STATE TEAM FULL OF TALENT, POTENTIAL**

The 2010 edition of the Kansas State Wildcats will have a mix of new faces with experienced ones as the team welcomes nine new players to the roster. With the leadership of two seniors who have extensive starting experience the Wildcats are looking to return to the NCAA Tournament after missing out on the postseason for just the second time in the Suzie Fritz era. Although the team boasts a large number of freshmen, the team still carries a good amount of experience with five starters from last year returning to the court. The incoming class also ranks among the best in the nation as PrepVolleyball.com ranked K-State's recruiting class among the nation's top 30.

With the combined drive of the returners and the incoming recruits, K-State expects to be back among the top teams in the Big 12 Conference, which would put the Wildcats among the best in the nation again with six teams making the NCAA Tournament in 2009. Five of those six teams advanced to the Regional Semifinals, and the Wildcats hope to be a part of the action in 2010.

"The expectations of this program are to compete for Big 12 Conference Championships and be among the best teams in the country," Fritz said. "These are realistic goals for this team if we can develop quickly and overcome our relative inexperience. We have good depth and competition at nearly every position which will allow us to get a great deal accomplished day-to-day and it is one of the hardest working teams that we have put together in a very long time."

The returning starters include senior libero Lauren Mathewson, senior outside hitter JuliAnne Chisholm, sophomore opposite Kathleen Ludwig, sophomore

middle blocker Alex Muff and sophomore setter Caitlyn Donahue. Donahue will make the move to setter after stints at both outside hitter and defensive specialist as a true freshman in 2009. Ashley Kelican is competing for the position as well following her freshman year to replace Soriana Pacheco. Pacheco moved her way into the top 10 in K-State history for assists and helped steer the team to the NCAA Tournament in 2008.

The other starter no longer with the program is middle blocker Kelsey Chipman. She is one of the most consistent players in K-State history ranking in the top 10 in blocks and hitting percentage. Chipman also cracked the Big 12 career top 10 list for block assists and earned All-Big 12 Honorable Mention as a senior.

With five returning starters the team has worked together on the court and had the opportunity to get in some extra practice and competition with a European tour this summer. The Wildcats went to Hungary, Slovenia and Italy in May and competed in five matches to prepare for the upcoming season.

"It is not possible to replace players like Sori Pacheco and Kelsey Chipman. They were veteran, experienced players and we will not be the same team without them," Fritz said. "Having five players returning who saw time for us last year, however, helps us get things into place quicker. We were very fortunate to take 10 players to Europe last spring in a trip sponsored by a wonderful organization, USAAI. There is no better teacher than experience and we were able to take advantage of good competition and the training that preceded that trip. We anticipate that our young players will challenge for positions and playing time, so we need to get them up to speed as quickly as possible."

#### OUTSIDE HITTERS

JuliAnne Chisholm and Kathleen Ludwig lead a group of outside hitters packed with talented youth. Chisholm is the lone upperclassman in the group with Ludwig a sophomore and the other five joining the Wildcats as true freshmen. Chelsea Keating (Frankfort), Courtney Cook (Fremont, Neb.), Lilla Porubek (Budapest, Hungary), Dakota Kaufman (Hillsboro) and Courtney Traxson (Cheney) round out the swingers on the outside.

"JuliAnne is proven. She has developed into a skilled all-around player and we will rely upon her to do a lot for us," Fritz said. "Kathleen has a year of experience in the league, so she clearly knows the expectations now and will only keep getting better. We're looking forward to what all of our freshmen can do at the position and feel like our depth at this position is a strength for this team. A majority of our incoming freshman OH's were here this past summer and worked very, very hard to get ahead and prepare themselves for the season. They have an enormous amount to learn, but have initially showed a great deal of promise and potential."

#### MIDDLE BLOCKERS

The loss of Kelsey Chipman will be the biggest void to fill for the Wildcats in 2010 as she was one of the best to play the position in K-State history. With the growth of Alex Muff in the second half of last season, the Wildcats have a player with experience at the position as just sophomores. Kacia Turner has had a year to learn K-State's system after redshirting in 2009 and should push for playing time.

K-State welcomes two true freshmen to the team in 2010 as well with the addition of Taylor Johnson (Grand Island, Neb.) and Kaitlynn Pelger (Olathe).

"Kelsey was one of the most efficient MB's that we've ever had. She was a side-out machine, especially behind the setter. This is, however, one of the more athletic groups that we have had at the middle blocker position in some time," Fritz said. "Kacia and Alex have both been with us for a year and have both gained valuable experience, as well as made a great deal of improvement. Kaitlynn and Taylor will be wonderful additions, as they both are great athletes that play high

and work hard. I would again say that our depth at this position is a strength for this team."

#### DEFENSIVE SPECIALISTS

Senior libero Lauren Mathewson is poised to move into the No. 2 spot in career digs with another season similar to her previous two. Mathewson posted more than 500 digs each of the past two seasons and broke the school record for digs in a match with 41 against No. 23 Texas A&M last year. The departure of Abby Fay and movement of Caitlyn Donahue to a new position leave a spot on the starting lineup available at DS, and a pair of newcomers will battle for it.

"Lauren is a proven libero. It is a very difficult position and she has been terrific for us for three years," Fritz said. "She is our vocal leader and will have a lot of responsibility in leading our team in serve receive and floor defense."

Freshman Tristan McCarty (Manhattan) graduated early from high school to enroll at K-State in January and begin working with the team. She was able to get in the gym with her teammates and begin the transition to collegiate volleyball and saw playing time during the trip to Europe. Natalia Dobrosz is the first Wildcat to hail from Germany and will compete to see the court as well in her first year.

"Tristan has made as much progress as any player we've had in just six months. It is an advantage to her that she was able to spend all last spring training with the team, and therefore she will be well prepared going into her first competitive season," Fritz said. "Natalia is a terrific story. She is a law student doing an exchange program through her university and we're excited to have her here playing with us."

#### SETTER

Caitlyn Donahue made the move to setter during spring workouts – a position she hadn't played since her junior year of high school. She and sophomore Ashley Kelican both battled during spring at the position. Kelican saw some playing time at the position as a freshman, and the pair provide K-State with options at the position.

"Great programs have two good setters and we are

excited about this pair of young players," Fritz said. "Donahue has tremendous athleticism and speed and is a play-maker. She has the ability to do a lot of things well, is exceptionally skilled and will make good things happen. Kelican, furthermore, has proven herself more and more. She continues to demonstrate the ability to put us in good situations and be a very reliable setter."

#### SCHEDULE

The Wildcats are again carrying one of the strongest nonconference schedules in the Big 12 to begin the season. K-State will travel to Hawaii for the Hawaii Chevron Classic to take on some of the winningest programs in NCAA history. Hawaii has three NCAA titles and six more Final Fours. Also on the slate at the Hawaii Classic will be UCLA with three titles of its own and eight additional Final Four appearances. San Diego rounds out the field, and the Toreros have been to the NCAA Tournament 13 times.

The Kansas State Invitational will bring talented teams to Ahearn Field House again in 2010 with Georgia Tech reaching the NCAA Tournament a year ago. The Yellowjackets will be joined by Oral Roberts and Loyola Marymount for the tournament.

K-State's other preseason tournament will be the Kentucky Invitational where another strong field will take to the court. The Kentucky Wildcats reached the NCAA Regional Semifinals last season and ranked No. 12 in the final AVCA Coaches Poll. Kentucky was eliminated by Florida State at the NCAA Tournament, and the Seminoles will make the journey to Lexington as well. The final team at the Kentucky Invitational will be Virginia Commonwealth coming off a 27-9 year and a regular season title in the Colonial Athletic Association.

"It will be a very competitive and challenging non-conference schedule, but we feel it is important to help prepare our team for Big 12 competition and have never shied away from playing good teams in the pre-season," Fritz said. "We will get tested early by some great volleyball teams, and it will be a great opportunity to see where we are at."

The Wildcats will play host to South Dakota (9/1) and UMKC (9/28) for mid-week nonconference games and take on the highly competitive Big 12 schedule.

Last season, the Big 12 had six teams at the NCAA Tournament. Five of those teams won their first round matches and second round as well to be among the last 16 teams remaining. Nebraska and Texas met in the Regional Final, and the Longhorns went on to fall in the National Championship to Penn State in five sets.

# 2010 K-STATE VOLLEYBALL

After nine seasons at the helm of the Kansas State volleyball program, Suzie Fritz has quickly established herself as not only one of the most successful coaches in Kansas State history, but also the nation. Fritz has led the Wildcats to seven NCAA Tournament appearances as head coach, 11 dating back to her days as an assistant coach, the school's first-ever conference title in 2003 and two Sweet 16 appearances. She currently holds the second highest winning percentage among all of K-State's volleyball coaches after compiling a 183-97 (.654) mark in nine years and has more wins than any K-State coach. In 12 seasons total on staff, Fritz has seen nine All-Americans, 16 All-Region performers and 37 all-conference players come play as Wildcats.

Since taking over the program, Fritz has taken the Wildcats to new heights.

In just her first year at the helm, Fritz led the Wildcats to the second round of the NCAA Tournament and a 20-8 record. It was the highest winning percentage in school history by a first-year coach at .714.

That season Liz Wegner became the first player in Kansas State history to be named to an All-American team twice in her career, as she was named an honorable mention All-American by Volleyball Magazine. Wegner joined fellow senior Lisa Mimick on the 2001 All-Big 12 first team.

Recently, Fritz coached her fifth All-American as Nataly Korobkova received third team honors from AVCA in 2007. Korobkova stormed onto the scene with 498 kills in her first year as a Wildcat. She earned Big 12 Newcomer of the Year to go with her first team All-Big 12 selection and was named first team AVCA All-Region VI. She repeated her achievement as a third team All-America selection again in 2008 to become the school's second two-time All-American.

The 2007 squad also reached the second round of the NCAA Tournament – the sixth tournament appearance by the Wildcats in Fritz's seven seasons. Three other players received recognition from the conference coaches along with Korobkova. Angie Lastra was named Libero of the Year and honorable mention All-Big 12 along with Stacey Spiegelberg and Megan Farr. In 2008, the team reached the NCAA Tournament and had three players earn All-Big 12 honors. The 2009 campaign saw senior Kelsey Chipman receive honorable mention from the Big 12 as well.

Following her debut season, Fritz again took the team to the NCAA Tournament to begin a streak that would reach five consecutive under her leadership and 10 total dating back to 1996.

In 2002 three Wildcats made first team All-Big 12, marking the fifth year in a row – all under Fritz's tenure – that the program placed two players on the league's first team. The 2002 squad gained valuable experience with a number of players returning the next year for the most successful season in school history.

Fritz led the Wildcats to their first conference championship in school history in just her third year as head coach, posted a 30-5 record and was a perfect 18-0 at home in Ahearn Field House. After losing their first two matches of the season, the Wildcats went on winning streaks of 12 and 16 matches en route to the conference title. Kansas State took both matches from conference power Nebraska, including just the program's second win on the road against the Cornhuskers.

Lauren Goehring and Gabby Guerre were both named All-Americans for their contributions to the season with Goehring earning first team honors and

Guerre received an honorable mention. Goehring also was the school's first conference player of the year. The Wildcats had three players on the All-Big 12 first team with an additional two as honorable mention.

The direction of the program continued rising in Fritz's fourth year with another trip to the NCAA Tournament and in 2004 K-State again reached 20 wins and the NCAA Tournament as the Wildcats finished 20-11 and advanced to the second round of the tournament before falling to national power Southern Cal.

In 2005, the team reached 20 wins for the seventh consecutive season with a 21-11 overall record and advanced to the second round of the NCAA Tournament for the eighth consecutive season. K-State opened the campaign with just the second 8-0 start in school history and first since the 1988 season. The Wildcats broke single-season school records for team total blocks (354.5) and team block assists (621). The squad was also successful in the classroom as K-State put eight Wildcats on the first and second teams of the Academic All-Big 12 teams. Following the 2005 season, Fritz was appointed to the 2006 USA Women's National Volleyball A2 Team.

The dominance at the net by the Wildcats would become a trend under Fritz's leadership. After setting the blocks record in 2005, K-State would post the second-best total blocks mark the following season and raise the bar again in 2007. The top five team performances for total block assists have all come within the last six years. K-State has finished in the top four of the Big 12 in blocks four of the last seven years.

The Wildcats have averaged a fourth-place finish in the powerful Big 12 Conference under Fritz. The Wildcats are one of the top three programs in the conference over that time span in winning percentage both overall and in conference play.

Success for the Wildcats has come more than just

on the court under Fritz as she and her players have taken the term student-athlete to heart. The Wildcats have established themselves as one of the top performing teams in the classroom in the nation.

In 2008, K-State led the conference in first team Academic All-Big 12 honorees for the fourth consecutive year. The team also earned its seventh straight AVCA Team Academic Award in 2007 to receive the recognition each year to start Fritz's tenure. The award is given to teams maintaining a cumulative 3.30 GPA or higher on a 4.0 scale. It is one of the longest streaks in the nation for receiving the prestigious academic award. The Wildcats had their second Academic All-American in 2009 as JuliAnne Chisholm garnered third team honors with her perfect 4.0 GPA and performance on the court.

K-State has tallied 76 Academic All-Big 12 selections and 16 Academic All-District student-athletes and one Academic All-American during Fritz's tenure to go with the seven AVCA Team Academic Awards. Along with the academic awards and nine All-American performances on the court, eight players have been selected as All-District. A total of 15 have been named All-Region VI with 37 All-Big 12 nods and 27 Big 12 players of the week.

Fritz began her head coaching career at K-State as the interim head coach after Jim McLaughlin left the program shortly before the start of the 2001 season. After a 9-5 start her first year, Fritz was named the program's permanent head coach. She took the reigns from McLaughlin after serving as his top assistant four years.

As an assistant coach for the Wildcats, Fritz was one of the chief architects of Kansas State's current success from 1997-2000. She helped guide the program to five consecutive NCAA Tournaments, including its first appearance in the round of 16 of the tour-

nament in 2000. In that span, the Wildcats posted a 103-52 (.665) overall record, including a 75-36 (.676) mark in Big 12 play. The program recorded four straight final AVCA/USA Today Top 25 finishes, including a then-program-best 16th ranking to conclude the 2000 season.

The team developed into a force in one of the nation's toughest conferences, finishing in the top five each year. The Wildcats had a then school-record second place finish in 2000 with a 14-6. As the head coach Fritz would best that conference mark with a 16-4 record in 2002 and better it yet at 18-2 in the title year of 2003.

While an assistant at K-State, she helped produce two All-Americans, including the program's first in Dawn Cady in 1999, three all-district selections, 11 All-Big 12 honorees and 22 Academic All-Big 12 picks.

Prior to coming to Kansas State in 1997, Fritz spent two years as an assistant coach at NJCAA power Barton County Community College in Great Bend, Kan. During her stay at Barton County, she helped guide the Cougars to a 111-14 (.888) overall record and a pair of top 5 finishes at the NJCAA National Tournament. In two years coaching under

Ray Bechard (now the head coach at archrival Kansas), she helped coach two first team All-Americans, two NJCAA All-Tournament picks, seven Region VI honorees and five Academic All-Americans.

Fritz also played two years under Bechard at Barton County from 1990-91, helping lead the Cougars to a 107-10 (.915) overall record and back-to-back final four finishes at the NJCAA Tournament as the team's starting setter. During her sophomore campaign, she was named the school's Most Valuable Player and to the All-Tournament team at the NJCAA Tournament. She was also named to the Volleyball Academic All-American team. She still ranks ninth in single-season assists with 1,219 assists set in 1991.

After two years at Barton, Fritz transferred to Northeast Louisiana (now Louisiana-Monroe) for her junior season before transferring to Florida Atlantic for her senior campaign, finishing her playing career in 1994. She was named the team's Most Inspirational Player and was an All-Tournament selection.

Upon earning a bachelor's degree in exercise science and wellness education from Florida Atlantic in 1994, she spent a year as an assistant coach at her

alma mater before returning to coach at Barton County in 1995. During her one-year stint at FAU, Fritz helped the Owls to a 6-21 overall record in just their first season in NCAA Division I.

Fritz earned a master's degree in educational administration and leadership from Kansas State in August 2002.

Fritz is not the first coach in her family. Steve, her husband, is entering his 15th season as an assistant track and field coach for the nationally-renowned Kansas State program, while her parents and both brothers have served in some coaching capacity. Suzie's father, Larry Wiemers, spent more than 25 years as head football coach at Clay Center High School.

Suzie's mother, Sandi, has been a teacher of baton twirling for years and has held positions in her national organization.

A native of Clay Center, Kan., the former Suzie Wiemers, was married to Steve Fritz on June 17, 2000. Steve Fritz, a member of the Kansas State Sports Hall of Fame, was a decathlete who placed fourth in the 1996 Atlanta Olympic Games. The couple has two children, Thomas Jon (T.J.), 9, and Jake, who is 6.

Jeff Grove is entering his ninth year as an assistant coach under Suzie Fritz after returning to the program in 2002. He helped orchestrate the rise of the Wildcat program as an assistant along side of Fritz from 1997-99 and has continued to play a big role in its success.

Over the last eight seasons, Grove has helped lead the Wildcats to a 163-89 overall record and a Big 12 title in 2003. He also coached two-time Big 12 Conference Liberos of the Year Laura Downey-Wallace and Angie Lastra as well as First Team All-Big 12 and AVCA All-American Lauren Goehring.

"Coaching at Kansas State is awesome," Grove said. "The university support is tremendous. The students and community support our program with great passion creating an atmosphere in Ahearn that is unmatched at many other institutions around the country."

Since Grove's return, the Wildcats have remained one of the top programs in the competitive Big 12 Conference and reached the NCAA Tournament six times. He serves as the team's top assistant coach and helps in the development of all phases of the program with specific duties as defensive coordinator. During his time as defensive coordinator, K-State has finished in the top three in the conference in blocking and opponent hitting efficiency in three of the past seven years. He coordinates and evaluates all statistical and video applications for the program as well as coordinating tape exchange and creating opponent scouting reports.

"It's very unusual to have the opportunity in the coaching business to work with someone as long as Jeff and I have. He is a man of strong character and commitment and is philosophically a great fit for K-State and the

way we want to do things," Fritz said. "He has tremendous technical knowledge, understands training at a high level and is excellent with statistical measurement and analysis. I trust in and have the highest respect for him, both as a person and a volleyball coach."

As the defensive coordinator for the team, Grove has coached a number of great defensive players in K-State history, including the most prolific libero the Wildcats have had. Lastra finished her career atop the career digs list with 2,032. She holds nine school records, including digs by a freshman and senior and digs in a season. Lastra also was the first libero to be named Big 12 Player of the Week before the conference created an award for both offense and defense. Current libero, Lauren Mathewson, has two of the top five individual seasons in school history for digs and is poised to move into second in career digs at K-State.

"Suzie and I have worked together for over 10 years. Our friendship and understanding of each other is a benefit to the K-State program," Grove said. "Having three coaches each with more than 15 years coaching experience along with Jeff Hulsmeier's head coaching background creates a unique asset for this program."

Grove has made the Wildcat defense tough to break making the opponent's attack less efficient. Counting Grove's first and current stints on staff, the Wildcats have held their opponents to a hitting percentage under .200 in seven of his 11 seasons, including a low .164 in the team's Big 12 Championship run in 2003.

In July 2008, Grove coached at the USA High Performance Championship in Tucson, Ariz. He served as an assistant coach for the Junior National A2 Team and worked with some of the top young talent in the nation.

During Grove's first tour in Manhattan, he was one of the original members of Jim McLaughlin's staff at K-State and a significant component in building the suc-

cessful Wildcat program of today. He helped guide the team to a 60-34 overall record from 1997-99 and three consecutive bids to the NCAA Tournament. He was responsible for coaching the outside hitters, including K-State's first All-American Dawn Cady and former Team USA alternate Kim Zschau. He also assisted with team travel and recruiting.

Before joining McLaughlin's staff, Grove spent four seasons as an assistant coach at the University of Wyoming from 1993-96. During his tenure on the Cowgirl staff, the program posted a 54-64 (.458) overall record and a 25-33 mark in conference (WAC) play. In 1994, the Cowgirls posted a 17-13 record and advanced to the NCAA Tournament. He began coaching at Wyoming in 1993 after a one-year stint as the lone assistant coach at Weber State in Ogden, Utah.

At Weber State, Grove helped the Wildcats to a 6-21 overall record and 5-9 mark in the Big Sky Conference in 1992. That season, the team placed fifth in the Big Sky and two members earned honorable mention all-conference honors. Following the season, he served several months as the team's interim head coach, managing the program in all facets until a new head coach was hired. While at Weber State, Grove also coached the Ogden (Utah) Junior Olympic volleyball program.

Grove began his coaching career at his alma mater Azusa Pacific while still an undergraduate. He served as the lone assistant coach for the women's team to help build the program into one of the top NAIA teams. He also was a player/coach for the men's club team. He also has experience at the Olympic level serving an internship with the U.S. National Volleyball Teams.

A native of Goleta, Calif., Grove earned his bachelor's degree in communication with a minor in business administration from Azusa Pacific in 1991. He is married to the former Julie Abbott and the couple has two children, Kaitlyn, 10, and Jonathan, 8.

Jeff Hulsmeyer enters his second season on the Kansas State volleyball coaching staff. He brings 16 years of college coaching experience as an assistant and head coach to the Wildcat program. After joining the staff, Hulsmeyer integrated himself into the program during the 2009 campaign.

"Having been a head coach before helps me understand what Suzie has to manage on a daily basis, and our long friendship and trust makes it a pleasure to come to work every day with both her and Jeff Grove. This is by far the most knowledgeable and experienced staff I've had the pleasure to work with."

At K-State his primary responsibilities will include serving as the offensive coordinator, setters coach and recruiting coordinator. His impact has been felt immediately at K-State with the incoming 2010 recruiting class ranked in the Top 30 by PrepVolleyball.com. This year's class includes nine players new to the Wildcat team.

As the recruiting coordinator Hulsmeyer has continued to bring in some of the top regional and national talent into Manhattan. When asked about his role Hulsmeyer said, "I love recruiting to Manhattan and Kansas State. It's such a friendly city with great support for an outstanding university and volleyball program."

Assisting with the offensive strategy for the Wildcats in his first year on staff, K-State saw Kelsey Chipman rank among the most efficient attackers in the Big 12 Conference and earn All-Big 12 Honorable Mention.

"Jeff has been a wonderful addition to our staff," Fritz said. "He brings great experience at all levels and is a proven trainer and recruiter. His enthusiasm for coaching, his character and integrity and his level of commitment to our program and our players will be

exceptional."

Before joining the K-State staff, his most recent coaching stint came at Georgetown College in Kentucky where he saw quick success. As the head coach of Georgetown College, an NAIA school, he led the Tigers to a 75-14 record over two years and finishing the 2006 campaign ranked 14th and a No. 5 national ranking in 2007. Both years he was named the Mid-South Conference and AVCA Region Coach of the Year. Before his time at Georgetown College, Hulsmeyer was the head coach at Purdue from 1999-2003. In his first season at Purdue, he guided the team to its first winning record since 1993. He had two recruiting classes ranked in the top 20 and two players named to the Big Ten All-Freshman Team. Hulsmeyer's Boilermakers produced off the court as well winning the President's Cup as the team with the highest GPA at the school. During his four years at Purdue, the team placed 20 student-athletes on the Big Ten All-Academic team.

Hulsmeyer also had two other head coaching stints at Arkansas State and Western Kentucky. At Arkansas State he led the then-named Indians to conference championships in all three seasons from 1993-95. During those three years, the team never lost a regular season conference match and made two NCAA Tournament appearances. Hulsmeyer developed two Sun Belt Conference Players of the Year and was named Coach of the Year in 1994.

In three seasons as the head coach of the Hilltoppers, Hulsmeyer led Western Kentucky to two Sun Belt Conference runner-up performances. He turned the team around in his first season with a 32-9 record a year after the Hilltoppers had a losing record overall. Several Hilltoppers were honored as All-Sun Belt Conference and Academic All-Conference. He was honored as the conference's Coach of the Year in 1991 as well. Before becoming the head coach at Western

Kentucky, he spent the 1989 season as a graduate assistant for the Hilltoppers while working toward a master's degree.

In addition to his more than 200 wins as a Division I head coach, Hulsmeyer has also served as an assistant coach at this level. From 1996-98 he served as an assistant coach at Illinois seeing success on the recruiting trail. Taking on the tasks of scouting and defensive coordinator Hulsmeyer helped take the Fighting Illini to the Sweet 16 in his last season at Illinois and finished with a No. 14 ranking.

In addition to his coaching experience, Hulsmeyer has worked in the private sector as the director of volleyball operations for the MidAmerica Sports Center where he was responsible for marketing and promoting sporting events at the center. He also directed the coaching enhancement program for the MAVA volleyball club, helping train coaches for the club. He also coached the MAVA 16 Elite team for two years, each season finishing fifth in the Junior Olympics National Championships 16-year-old open division.

Hulsmeyer also played indoor and professional beach volleyball for a stint before taking to the court as a coach. After playing club volleyball in college at Kentucky and the USA open level volleyball indoors, Hulsmeyer moved to Southern California's Newport Beach to train with AVP players. From 1989-95 Hulsmeyer spent his summers recruiting and playing professional beach tournaments on the East Coast.

Hulsmeyer is a graduate of Kentucky where he earned his bachelor's degree in political science. He is a native of Louisville, Ky., and is married to the former Michelle Hall of Halstead, Kan. Michelle was a two-time All-American as a setter on the volleyball team at Barton County Community College where she is also a member of the school's hall of fame. After two years at Barton County, she went on to play at Arkansas State where the team reached the NCAA Tournament each of her two years with the Indians.

The couple has four children Zach (11), Ben (9), Hannah (7) and Jack (5).

Record numbers in total giving, attendance records at numerous athletic venues, improved communication and trust, and certainly continued athletic and academic achievement were among the highlights Kansas State Athletics enjoyed in 2009-10 during John Currie's first year as Athletics Director.

A big part of Currie's first-year initiatives was the implementation of the "K-State Pledge," a series of financial accountability measures and core values serving as the base of K-State's vision. Among those values are five goals: a world-class student-athlete experience; value to the University, city and state; integrity and transparency in relation to ethics, finance and NCAA compliance; championship-level athletic performances; and the best fan experience in the Big 12.

In an effort to create the best fan experience possible, Currie's staff created new ticket initiatives for football that led to the largest home-opening crowd in Bill Snyder Family Stadium history on September 5, 2009 (50,750). The Wildcats also set new season total and average attendance records in baseball in 2010, sold a record number of season tickets for volleyball and had the largest average increase in the nation this past season in men's basketball.

Providing K-State student-athletes a world-class experience is also a priority for Currie as he initiated new events such as the Powercat Choice Awards and graduation receptions to showcase K-State's student-athletes and show appreciation for their dedication and hard work on the field and in the classroom. His involvement to help secure the future of the Big 12 Conference and Kansas State's position as a long-term league member was pivotal not only for Wildcat student-athletes and their college experience but also for the history of the university.

A new and improved Ahearn Fund was also launched to increase overall participation and give K-Staters a way to directly enhance the K-State student-athlete experience. This past year, Currie and staff saw record gains in terms of total giving as K-State's National Fund for Athletics and Academic Excellence exceeded its \$11.6 million fundraising goal, representing an increase of nearly \$3 million from the previous year.

Currie also worked to establish relationships and communication across campus, through steps such as personally visiting with K-State deans in their respective offices. He also serves as a member of President Kirk Schulz's cabinet and has made presentations and held question and answer sessions with many campus organizations. Currently a member of the NCAA Division I Administration Cabinet, Currie also implemented a communications plan in an effort to regain the trust of all Wildcat fans, which included in-person stops throughout the state, regular online letters and chats and K-State's first-ever FanForum conference call, which saw more than 3,000 fans participate.

Understanding the importance of coaching continuity in building successful programs, Currie moved quickly to sign 2009 Big 12 Baseball Coach of the Year Brad Hill, 2010 Big 12 Men's Basketball Coach of the Year Frank Martin and head women's basketball coach Deb Patterson to contract extensions. Currie also led the effort to complete the five-year contract for legendary returning football coach Bill Snyder.

Currie began his duties as Athletics Director on June 8, 2009, after 10 years at the University of Tennessee, most recently serving as Executive Associate Athletics Director for Athletic Director Mike Hamilton. Currie was responsible for the direct management of units that annually produced \$84 million in revenue and gifts, including the department's fundraising, marketing, ticketing, media relations, public relations, internet and broadcasting offices. Currie also provided oversight for the men's basketball program and other department initiatives and helped direct numerous searches that led to the hiring of successful head coaches.

An integral member of the facility planning team for UT's \$200 million master plan renovations for Neyland Stadium, Currie also directed a \$36 million arena renovation and basketball practice facility construction project that was completed in the fall of 2007. He developed and implemented the revenue models to fund both projects without outside funding from the state or local government, tax dollars or University-derived support.

Currie's accomplishments at Tennessee included helping the University secure a \$50 million commitment in 2006 for academic and athletic needs, a gift which represented the largest from an individual in Tennessee history. Units under his direction also negotiated an \$84 million multi-media rights contract with then-Host Communications, and a \$19.3 million all-sport contract with Adidas. Under his leadership, giving to Tennessee athletics more than doubled from \$19.5 million in 2003 to \$41.6 million in 2008.

Currie led the negotiation and implementation of new student season ticket sales for football in 2008, resulting in \$900,000 of new department revenue in its first year. He also implemented new regular-season football sales strategies that helped Tennessee set a new single-game attendance record of 109,061 in 2004. Tennessee's athletic facilities as a whole benefitted from Currie's efforts as the development office secured individual-naming recognition gifts that included \$4 million for a new aquatic center, \$2 million for a new softball stadium, \$1.5 million for a new soccer stadium and \$2 million for baseball renovations. Tennessee's track complex also was renovated, while ground was broken last summer for a new Greg Norman-designed intercollegiate golf practice complex and clubhouse.

Currie oversaw the development and execution of a comprehensive marketing plan in 2005 that led to attendance at SEC home basketball games improving 54 percent from the previous year, while student attendance increased by 197 percent. Currie joined the Tennessee staff in 1997 as Executive Director of the Volunteer Athletic Scholarship Fund (VASF). Following a two-year stint as Assistant Athletics Director at Wake Forest, Currie returned to Knoxville in 2000 as Assistant Athletics Director for Development and served as director for the "STEP UP" campaign. As UT's first-ever capital campaign, it exceeded its goal and reached a total of \$48.6 million, \$4 million over the intended goal, with gifts from 870 donors. In 2002, Currie was promoted to Associate Athletics Director for Development.

He served as President of the Southeastern Conference (SEC) development officers group for 2004-05, chaired the 2007 CASE national athletic development conference and was a member of the SEC ticket policy committee. The Knoxville News Sentinel recognized Currie in December 2008 by naming him to its prestigious "Top 40 Leaders Under 40" list. He began his professional career at Wake Forest in 1993 as a Deacon Club intern before being named Assistant Deacon Club Director in 1994, a position he held until 1997. Currie earned his master's in sports management from Tennessee in 2003 and is a 1993 Wake Forest graduate. He and his wife Mary Lawrence, have three children, Jack, Virginia and Mary-Dell.

## K-STATE STANDS STRONG IN '09

In 2009 Kansas State saw early success battling against two teams ranked No. 11 or better and went on to win the BYU Nike Classic. The Wildcats struggled to keep their momentum in Big 12 Conference action, but the season was not without a number of impressive highlights while the team said goodbye to a pair of players who contributed to K-State's success during their careers.

During the BYU Nike Classic, senior middle blocker Kelsey Chipman put on a show. Over the stretch of three matches Chipman tallied 43 kills hitting .405 or higher in each match and posted 18 blocks. Against Cal Poly she tallied a double-double with 13 kills and 10 digs – a rarity for a middle blocker. For her efforts she was named the tournament's MVP.

The Wildcats faced a tough conference schedule early on dropping their first six matches in Big 12 action. All six of those teams would play in the NCAA Tournament with five of them advancing to the Sweet 16. K-State ended its losing streak with an exciting win over Missouri in four sets on Fox Sports Kansas City. That win had a number of shining performances with Chipman posting 13 kills without an error to go with seven digs and five blocks. Defensive specialist Caitlyn Donahue tallied a career-high 22 digs while setter Soriana Pacheco added 16 and libero Lauren Mathewson posted 15.

When the bright lights of TV were on in Ahearn Field House, the Wildcats shined in 2009. K-State won both its televised home matches with the second coming in

dramatic fashion to end a long losing streak. The Wildcats bested No. 23 Texas A&M in five sets snapping a streak of 21 straight losses to ranked opponents. The dramatic 25-20, 25-27, 25-22, 21-25, 16-14 win was the first over a ranked opponent since K-State defeated No. 14 Cal Poly to open the 2007 season.

The win over A&M was full of impressive performances across the board. Chipman hit .500 on the night with 18 kills and no errors. JuliAnne Chisholm led the way with 20 kills, and Pacheco directed the team to a .255 hitting percentage. But it was Mathewson who stole the show. Mathewson posted a school-record 41 digs in the victory and became the first player in K-State history to tally 30 or more digs in back-to-back matches after digging 30 against Oklahoma prior to the A&M match. Her 41 digs were one shy of tying the Big 12 Conference record set earlier in the season by Iowa State's Ashley Mass.

### ALL-AMERICAN STUDENT

JuliAnne Chisholm not only led the Wildcats in kills in 2009, she led them in the classroom as a model student-athlete. Chisholm was awarded for her efforts as an ESPN the Magazine/CoSIDA Academic All-American. She was selected to the third team recognizing her work both on the court and in the classroom as she holds a perfect 4.0 GPA in athletic training and pre-medicine. Chisholm is the fourth Academic All-American in school history.

Chisholm was not the only Wildcat to earn academ-

ic accolades. In addition to her Academic All-America honor, Chisholm was selected as Academic All-Big 12 First Team along with three of her teammates. Abby Fay, Lauren Mathewson and Kelsey Chipman all received the honor for the Wildcats.

### TWO TOP SENIORS GRADUATE

The 2009 season was the last for two Wildcats that rank statistically among the best at their position in the program's history. Setter Soriana Pacheco played two seasons for K-State and finished with 2,114 assists for her career to rank eighth in school history. She also tallied 50 service aces and helped lead the Wildcats to the NCAA Tournament in 2008.

K-State also said goodbye to one of the best middle blockers the program has seen in Kelsey Chipman. Chipman garnered a number of accolades during her career, including an All-Big 12 Honorable Mention her senior season. She ended her career as one of the top hitters with a career hitting percentage of .329 to rank fifth in school history. She posted one of the most efficient seasons in school history hitting .354 as a junior in 2008. Some of her individual match performances rank among the best hitting percentage as well. Chipman also was a force at the net defensively as she ranks second in school history in career block assists with 463. That total also cracks the top 10 in Big 12 history. Chipman also was a stellar student earning Academic All-Big 12 all three years she was eligible and was named ESPN the Magazine/CoSIDA Academic All-District three times.

Soriana Pacheco came to K-State as a highly decorated junior college player where she helped lead Western Nebraska to an NJCAA title and runner-up finish in her two seasons. She was a two-time NJCAA All-American and helped K-State reach the NCAA Tournament in her first season as a Wildcat.

Her senior year she helped K-State gets its first win over a ranked opponent in two years as the Wildcats defeated No. 23 Texas A&M in five sets in Ahearn Field House. During that match, Pacheco tallied a career-high 61 assists. She played more of a defensive role as a senior as well posting nine double-doubles in her final season including two matches with a career-high 16 digs.

"IT WAS A VERY PROUD DAY TO SEE SORI WALK ACROSS THE STAGE AS A KSU GRADUATE. SHE WORKED HARD TO ACHIEVE HER DEGREE AND WE WERE FORTUNATE TO HAVE HER AS OUR SETTER FOR THE PAST TWO SEASONS."

## THE BIG 12 CONFERENCE - A NATIONAL LEADER

The Big 12 Conference, despite being one of the youngest conferences in America, will continue its position as a national leader in athletics and academics as it embarks on its 15th season in 2010-11.

Since it began play in 1996-97, the Conference can boast of 38 team crowns and 440 individual NCAA Championships. The success continued last year, as Oklahoma State won the NCAA men's cross country title while Texas captured the national championship in men's swimming & diving. Texas A&M maintained its place as the nation's top outdoor track & field program, securing the NCAA crowns for both the men and women for the second consecutive year.

Big 12 squads continued to lead the nation in their respective sports as every single sport the Conference sponsors had at least one school ranked in the top six of the national rankings during the past campaign. In addition, nine different sports had the No. 1 team in the nation at some point during the 2009-10 season.

In addition to the NCAA crowns, several more schools made strong national showings. Five Big 12 volleyball teams competed in the regional semifinals of the NCAA Championship in 2010, the first time that has happened in conference history. The Big 12 also had a school play for the BCS National Championship (Texas) for the seventh season and placed two women's basketball squads (Baylor, Oklahoma) in the Final Four in the same season for the first time. Oklahoma finished second nationally at the NCAA women's gymnastics finals - an all-time high for the Big 12 - while Oklahoma State placed second at the men's golf championship. Iowa State was third at the NCAA wrestling championships and the Big 12 also placed a team in the College World Series in both softball (Missouri) and baseball (Oklahoma).

The individual honors also continued, as Jenny Barringer (Colorado) earned The Bowerman Award, presented for the first time to the most outstanding collegiate women's track and field athlete. In fact, all three women's finalists were from the Big 12. Caroline Hedwall (Oklahoma State) was named the recipient of the Honda Sports Award as the nation's top female golfer after capturing the NCAA individual title. Lisa Koll (Iowa State) earned the Honda Award as the top collegiate female athlete in track & field. Connie Yori (Nebraska) was the consensus Division I women's basketball coach of the year and K.J. Kindler (Oklahoma) earned national women's gymnastics coaching accolades.

The Big 12 has had four Heisman Trophy winners in its 14-year history. In 2008, the Big 12 established a high-water mark, as for the first time in the 74-year history of the Heisman four of the top five vote-getters hailed from the same conference, including award-winner Sam Bradford (Oklahoma). The league followed that recognition with two of the top five finalists in 2009.

During the past six seasons a total of 16 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in all but one year for the Conference, including each of the past 13 seasons.

The Big 12 leads all conferences with its seven appearances in BCS title games. Seven league squads have played for the football national championship in the last 10 years with berths in 17 BCS games overall, including two each in 2007 and 2008. In the past two seasons, the Big 12 has had 16 players earn consensus All-America accolades.

In basketball, nine men's and six women's teams have advanced to their respective Final Fours in the past eight seasons as the Big 12 continues its place among the elite intercollegiate athletic conferences. On the men's side six different teams have reached the regional finals in the past three seasons - the first time since 1985 that any conference can boast of six different teams doing so over a three-year period. The Big 12 has led the nation in women's basketball attendance the past 11 seasons and surpassed its own NCAA record attendance mark in 2009-10.

Numerous national honors have been won by basketball student-athletes during the league's history. Sherron Collins (Kansas) was awarded the 2010 Frances Pomeroy Naismith Award in men's basketball as the top player six-foot or under. Kelsey Griffin (Nebraska) gave the Conference a con-

sensus All-America selection in women's basketball for the 10th straight season.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

Big 12 student-athletes have shown commitment to their studies by earning numerous academic recognitions. Cole Aldrich (Kansas) was the latest after earning Academic All-America of the Year honors in men's basketball in 2009-10. It marked the seventh time in the past five years that a league athlete has garnered the top academic honor for their respective sport.

Sarah Pavan (Nebraska) earned countless accolades for her work away from competition, being named the Academic All-America of the Year for all sports in both 2006-07 and '07-08. She was also named recipient of the prestigious 2006-07 Honda-Broderick Award as Collegiate Woman Athlete of the Year, the first athlete since the Big 12 was formed to earn the accolade. In its history, the conference has nearly 400 academic honorees, averaging more than 25 each season.

The Big 12 can boast of other stories that combine on and off the field success. Patience Knight (Texas Tech) was the recipient of the Honda Inspiration Award in 2008, given to an outstanding female college athlete who overcomes adversity to excel in her sport. She was diagnosed with a cancerous tumor in 2007, but rebounded to win All-America honors at the 2008 NCAA Indoor Track & Field Championships.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport

at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsman of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships at the end of each academic year. A total of 249 scholars have received over 1.6 million in postgraduate financial aid through the first 14 years of the program.

The Big 12 sponsors 21 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, golf, gymnastics, indoor track & field, outdoor track & field, soccer, softball, swimming,

tennis and volleyball.

The Conference is made up of 12 institutions that have shared many traditional rivalries throughout their histories. Member schools include - Baylor University, University of Colorado, Iowa State University, University of Kansas, Kansas State University, University of Missouri, University of Nebraska, University of Oklahoma, Oklahoma State University, University of Texas, Texas A&M University and Texas Tech University.

The institutions created a league that encompasses seven states, over 46 million people and television households in 18 of the top 100 markets within its geographic footprint.

The Conference conducts championships for 19 of its 21 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition. The winner of the Big 12 football championship game earns the league's berth into the Bowl Championship Series.

In the last several years the Big 12 has increased its bowl agreements and expanded television opportunities for all sports through contracts with ABC/ESPN and FSN. Most recently, the league renewed and expanded its multi-year arrangement with ABC/ESPN, Inc. The new contract began in 2008-09.

In its first 14 years, the Conference has distributed more than \$1.2 billion to its 12 member institutions. The Big 12 staff administers to over 4,600 student-athletes in its 21 sports. The conference office is headquartered in Irving, Texas.

**DEC. 4 - MANHATTAN, KAN. - NCAA FIRST ROUND - ANHEIM FIELD HOUSE**  
**KANSAS STATE WINS 15-12, 14-16, 15-11, 15-13**

**MANHATTAN, Kan.** — The resurrection of the Wildcat program reached another significant milestone in 1997 with the first NCAA Tournament bid in school history. Playing host to Big Sky Conference champion Cal State-Northridge in the first round, the Wildcats would prove they belonged in the Big Dance with one of the most impressive offensive shows in NCAA history. The Wildcats set school records and cracked the NCAA record books in kills (108, 1-2nd in NCAA history), total attacks (264, 10th in NCAA history), and assists (95, 6th in NCAA history). Devon Ryning churned out a school-record 88 assists, the third-highest total in NCAA history. She set a K-State offense that saw five players notch 18 or more kills.

Northridge's Nancy Ma (35) and Getty Dimitrova (32) combined for 67 kills but were the only players on their team with double-figures. Ma's 35 kills is the most ever recorded against a Kansas State team in a four-game match.

MADISON, Wis. -- Kansas State saw its run through the NCAA Tournament come to a disappointing end, as fourth-ranked Wisconsin eased past the Wildcats, 15-3, 14-16, 15-10, 15-6, in the Midwest Regional Semifinal held at the UW Field House.

In the opening set, Wisconsin looked every bit the fourth-ranked team in the nation, as the Badgers jumped out to a 4-0 lead en route to taking a commanding 12-2 lead.

The second game looked to follow the same route as game one, as Wisconsin ran out to a commanding 10-0 lead. Kansas State re-took the lead at 15-14 then junior outside hitter Lisa Mimick's kill completed the comeback in a 16-14 win.

After the intermission, Wisconsin came out firing in game three, taking yet another early lead at 7-1. Again, pesky Kansas State would not go away easily, as the Wildcats battled back to tie it on back-to-back service aces by senior middle blocker Kelle Branting at 9-all. After exchanging sideouts, Wisconsin gained consecutive points to go up for good in the game at 11-9 before posting a 15-10 victory.

Holding a 2-1 advantage the Badgers converted on three straight points to take an 8-3 lead en route to a 15-6 victory.

### WHAT EVERY ALUMNUS AND BOOSTER OF KANSAS STATE SHOULD KNOW ABOUT THE NCAA

#### Key Points

A 'representative' of Kansas State's athletic interests is: an individual who is known (or who should have been known) by a member of K-State's executive or athletics administration to:

- A) have participated in or to be a member of an agency or organization promoting KSU athletics.
  - B) have made financial contributions to the department or to an athletic booster organization of K-State.
  - C) have been involved otherwise in promoting the institution's athletic program.
  - D) bought or received tickets to a K-State athletics event.
- Once an person is identified as an 'athletic representative,' the person retains that identity forever.

#### Key Rule: NCAA BYLAW 13.01.5

In Division I, representatives of athletics interest are prohibited from making in-person, on-or-off campus recruiting contacts, written, telephonic communications or e-mail transactions with a prospect or the prospect's relatives or legal guardians.

#### Interpretations

1. A representative of a Division I institution is prohibited from making in-person recruiting contact with a prospect and his or her parents/guardian on or off campus.

**Limited Exception:** You may have contact with a prospect regarding permissible pre-enrollment activities such as summer employment, provided the prospect has already signed a National Letter of Intent and K-State is aware that you are making these contacts in regard to employment.

2. A representative is prohibited from writing or telephoning a prospect and his or her parents or legal guardians.

**Limited Exception:** You may have a phone conversation with a prospect only if the prospect initiates the call. Such a call may not be prearranged by a K-State staff member and you are not permitted to have a recruiting conversation, but may exhibit normal civility. You must refer any questions about the University's athletic program to the athletic department.

3. A representative is prohibited from contacting a prospect's coach, principal, or counselor in an attempt to evaluate the prospect.

**Limited Exception:** NCAA rules do not preclude you from viewing a prospect's contest on your own initiative, but you may not contact the prospect, pick up film or transcripts.

#### What can I do?

If you know of a high school or junior college student-athlete who might want to attend K-State, the only permissible activity for a representative is to call the appropriate coach.

#### What is an "Extra Benefit?"

An extra benefit would include provision of transportation, meals, clothes, entertainment, preferential loan terms, wages not commensurate with duties, or other benefits offered to a prospect or current student-athlete which is unavailable to the general student population.

#### What can you do with prospects?

DO feel free to attend high school and junior college athletic events. You cannot have any contact with the prospective student-athletes or relatives. Should you find yourself seated next to parents of a prospect, DO NOT initiate conversation with the relatives. If conversation is initiated, respond in a civil manner, but DO NOT discuss K-State's athletic program with them. If they raise questions about athletics, remind them that the NCAA prohibits you from discussing athletics with them. You MAY discuss the University in general, and its academic programs.

DO continue established family relationships with friends and neighbors. Contact with sons and daughters of those families are permitted as long as they are not made for recruiting purposes and are not prompted by Wildcat coaching staff members. You ARE permitted to play 'pick up' games, continue neighborhood picnics or backyard barbecues and engage in your normal activities with prospects and their parents who are family friends.

DO feel free to attend a public event (i.e. awards dinner) at which prospects are in attendance. NO attempt should be made to contact or recruit the prospect at these events.

#### What can I do for current K-State athletes?

DO feel free to invite a student-athlete to your home for an occasional meal, but you must first contact the coach in the sport in which the student-athlete is a participant. Remember, the student-athlete must provide his or her own transportation. You may do this a maximum of one time per school term per athlete.

DO feel free to invite a team for dinner or to meet with a group of alumni in a city where they are competing. The NCAA permits student-athletes AS A TEAM to receive special benefits not permitted as individuals. Arrangements for such events must be made in advance with the head coach or appropriate athletic staff member.

#### MISSION STATEMENT

The mission of the Kansas State Department of Intercollegiate Athletics is to provide, within the context of available resources, an environment that supports the educational objectives, academic progress and general welfare of student-athletes and allows them to compete at the highest levels of athletics. Our mission is also to embrace the guidelines and principles established by the Big 12 Conference and NCAA, which promote the principles of sportsmanship and ethical conduct. The Department of Intercollegiate Athletics is committed to providing fair and equitable treatment for all student-athletes and athletic department personnel, including women and minorities.

#### PHILOSOPHY STATEMENT

The Department of Intercollegiate Athletics shall assure that all intercollegiate sports programs and department operations are consistent with the mission of Kansas State University. Student-athletes and department employees should be treated fairly and equitably regardless of gender or race. All department activities will be conducted within the rules, regulations and policies of Kansas State University, the Big 12 Conference and the NCAA.

The Department's decision-making process shall be based upon consideration of the academic, emotional and physical welfare of every current and future student-athlete. The experience to be provided to student-athletes should promote social, moral, emotional, cultural, and vocational growth and development and should emphasize the value of sportsmanship, loyalty, teamwork & individual accountability. An environment promoting excellence will allow the physically talented and gifted student-athlete to achieve maximum potential.

#### How can I assist with summer employment?

DO pay student-athletes employed by you for work actually performed and at a rate commensurate with the going rate for similar services in the community and your business.

DO notify the head coaches or the athletic department of job possibilities for student-athletes.

#### Other questions and answers:

**Q.** May I accompany the coach during a 'home' visit with the prospect?

**A.** No

**Q.** May I drive a prospect to a secondary school's reception in my local area?

**A.** No, unless such arrangements are made for all students in attendance.

**Q.** May a booster group finance a season-ending banquet? May it purchase any awards for the team?

**A.** Yes, provided all funds are expended through the athletic department. Since the NCAA has established a value limit on awards received by student-athletes, it is important to have all awards approved by the athletic department.

#### Additional reminders:

1. Contact the athletics department for NCAA interpretations.
2. Remember that in most cases CONTACT is prohibited.
